ASSISTING PEOPLE IN FINDING WHOLESNESS AND HOLINESS IN A
RELATIONSHIP WITH JESUS CHRIST AND OTHER CHRISTIANS.

CrossView Connections

Expecting life-change by purposefully building Christ-centered lives together.

CVC Vision Statement

Dear friends,

Jesus was intentional. He did not just happen to show up here and there, drift along, or 'go with the flow'. He specifically met with His Father daily- Mark 1:35, 6:46 (Discipleship). He never missed a Sabbath service-Luke 4:16 (Worship). He healed and taught- Luke 7:21-23 (Service). He invested in His disciples and close friends- Mark 3:14, John 12:1-3 (Fellowship). He sought out the unsaved- Mark 1:38 (Outreach).

CVC is intentional. Which is why we know that for all who choose to participate, they can "expect life change by purposefully building Christ centered lives together" (Vision Statement). What we do on-purpose is manage our lives so that the 5 circles of activity become a filter through which we live. Doing so will make us "Christ centered" and eventually Christ-like. Colossians 1:28 (Christ-likeness) is the biblical goal (as also expressed in the CVC Mission Statement you'll find on our Web site).

During July and early August we're asking

for your assistance is helping determine how to assist you in your growth. Handed out last Sunday (June 27), and available on our web site and/or via email, we're asking for you to evaluate how CVC is doing to assist you to plan your life through the lens of the five circles:

Your answers, ideas, and input will help with our programming in our desire to glorify the Lord Jesus Christ by "assisting you toward wholeness and holiness in a relationship with Jesus Christ and others" (CVC Mission Statement). Want growth? Want positive life change? Choose to participate. Let us help.
